# Gold jewellery retailers' revenue likely to grow 12-14 per cent: Crisil

#### **KOLKATA**

After two consecutive years of decline, the revenue of gold jewellery retailers is poised to grow 12-14 per cent on-year this fiscal, driven by stable gold prices and recovery in discretionary spending, including on wedding and festive jewellery, rating company Crisil said. The operating margin, though, will be restored to the pre-pandemic level of 6.5-7.0 per cent.

# Government to take strict measures to prevent tax evasion in gold jewellery sales, says Kerala CM

The Chief Minister ordered officials to carry out strict inspection in places where tax evasion was possible. Actions including cancellation of GST registration should be taken against people involved in tax evasion, he directed. The CM also explored at the meeting the possibility of making CCTV footage in large jewellery shops available at the GST office and police stations.

# Women in Jaipur enter jewellery core manufacturing sector, aid labour supply making

#### **JAIPUR**

Over the past few months, Sitapura Gems and Jewellery Industries Association has trained and absorbed over 250 women in the core manufacturing process. The target is to skill and employs 2000 but the Covid protocol of working at reduced capacity has slowed down training and deployment. Currently, 150-200 women are under the training process.
